Matric No. : B19EC0035

Lecturer : Dr Faizal Mustaffa

Subject : ULAB 3162 (Section 47)

Assignment : Personal Write-Up

Position Applied : Comic Illustrator

I am writing to propose my interest for the position as a comic illustrator at your company. Drawing gives me the fascination to expand my mind for new ideas to keep inspiring people. I have confidence and experience to transform my imaginations into visual stories such as creating fascinating outcomes to satisfy my goals. Moreover, this opportunity will be able to enhance my knowledge of image variation as there are more to learn about colours and illustrations using visual software. Participating in university competitions were one of my passions and efforts to build up my talents and skills in this field. Your company's imaginative and stunning creations have always been a wonderful sight for me. I feel incredibly lucky to be part of the team and I would like to gather valuable work experience as a platform to pursue my career as an illustrator in the field of illustration.
