Universiti Teknologi Malaysia (UTM) in collaboration with Huawei Technologies Malaysia (Sdn Bhd) once again successfully organised the Huawei Connected Campus 2020 which was held at Dewan Sultan Iskandar on 3 March 2020. The event was officiated by Prof. Datuk. Ir. Dr. Wahid Bin Omar, Vice-Chancellor of UTM and attended by Mr Lim Chee Siong, Director of Huawei Cloud an AI and Ms Emily, Senior Talent Development Manager. More than 1000 UTM students from all campuses participated in the exciting and enriching event. The event then proceeded with a talk reviewing Business insight which was delivered by Mr . Lim Chee Siong, Director of Huawei Cloud & AI.

I participated in the whole event of this talk throughout the day. The talk focused more on marketing and business insights, advice and experiences about Huawei in industry, and how we can make full use of technology and IoT. The second talk was delivered by Ms. Emily Senior Talent Development Manager. In her talk, she focused more on the Human Resources(HR) point of view as well as providing tips and tricks on handling interview assignments. Other than technology and career consultation talks, there were also sharing sessions from Alumni pertinent to their working experience with Huawei as well as various exciting activities such as Kahoot interactive platform and product showcase that they handle on Huawei Facebook page. The lucky draw prizes which comprised the Huawei Mate 30 Pro, Huawei P30 Pro, GT2, and Huawei Talk Band B5 were also highly anticipated by the audience. The event ended with an interactive Q&A session from the audience.
