

## ExCEL Mini Report

Event:

SC - BBQ/SPRING CLEANING PARTICIPANTS (SCSR FAMILY DAY)

---

Name: Arif Amiruddin bin Sadiran

Matric Id: A19EC0022

Programme: Bachelor of Computer Science (Computer Networks and Security)

Academic Advisor: Dr. Haswadi bin Hasan

### **Justification in joining the activity**

SC - BBQ/SPRING CLEANING PARTICIPANTS (SCSR FAMILY DAY) an annual event for the Computer network and security student. The event involved a bbq session and gotong-royong. I joined the event to create new memories with my classmates and get to know the lecturer and seniors much closer.

In this event, I am a part of the committee. I am responsible for cleaning and preparing the place where the event was conducted.

### **The graduate Attributes that are focused on**

- **Communication Skills**

As the event involved working in a group, we learned how to communicate with others, not only involving our classmates but the seniors, lecturers and those that we are not as close. We learnt how to improve our communication skills and create new friends during the activities done.

- **Leadership and Teamworking Skills**

As the event is conducted in a team, we learned how to work as a team. We are required to complete each task before the BBQ session starts. Thus, we have to work as fast as we can without burdening each other. We try to do what we did best and be considerate of each other.

## **Content of the activity**

The event was carried out on 6th March 2020 with each participant required to be present in the SCSR lounge room. We are divided into 3 groups, the first assigned to cook, the second assigned to have gotong royong and the last is to prepare the bbq place at the observatory. Below is a short brief of the tentative for the event conducted.

**9:30 a.m. :** Gotong royong session.

**3:30 p.m. :** Battle starts

**8:30 p.m. :** BBQ preparation and session.

**9:30 p.m. :** Quiz

**10:00 p.m. :** Gifting session

**11:00 p.m. :** Tidying up the place.
