

# SIAM RAHMAN

HIGH SCHOOL  
GRADUATE

## ME IN A NUTSHELL

I am a high school graduate from Bangladesh aspiring to become a good teacher and a great person. Coding, comedy, and biographies interest me a lot, and I am a semi-hands-down beau of physics.

## ACCOMPLISHMENTS

- Winner, the Honorable Mention Award for Outstanding Achievements, Notre Dame College (2020)
- First Runner-up in the multimedia presentation event in national competition organized by 'Collective Efforts to promote quality education (2019)
- First position in school level selections, and member of Team Bangladesh, JENESYS (2018)
- First position in MACFAIR selections for MAC Tutor (2018)
- 40th percentile position in the Breakthrough Junior Challenge (2018)
- Winner, the Prime Minister's Shapla Cub Award (2012)

## UNOFFICIAL/FUN BITS ABOUT ME AND MOMENTS I LIKE LOOKING BACK TO

- I love solving riddles, especially the ones from TEDEd
- I am a beginner Spanish learner at Duolingo
- I am beginner level coder of HTML, CSS, JavaScript, and Python
- My friends say I talk too little, and ask how I talk so much when I'm on a stage with a mic
- I was the librarian and one of the founder of Amader club, a local youth club, and I also wrote in and co-edited its tri-monthly magazine 'Ullash'
- The Afghan Ambassador to Japan, H.E. Ambassador Dr. Bashir Mohabbat, mentioned me and said he learned from my presentation during the final seminar of JENESYS
- In 2020, I built up a reading habit and read 27 books (12 non-fictions, 15 fictions)
- Sherlock Holmes is my favorite fictional character
