

Main page

Log in page

A mobile application login screen with a dark grey background. At the top, a reddish-brown header bar contains a back arrow on the left, the text "Sign in" in the center, and status icons (signal, Wi-Fi, battery) on the right. The time "00:52" is displayed in the top left corner. In the center of the screen is a white circular icon containing a padlock. Below this are two white rectangular input fields: the first is labeled "StaffID*" and the second is labeled "Password*". At the bottom is a wide, rounded reddish-brown button with the text "Log In" in white.
