### ABOUT ME

Hi, I am Mohammed Hussein. I am a student in UTM University, I'm studying computer network and security course and I am in my first year. Technology, computer support and diagnosis, programming, and cloud computing have always held a special place in my heart. So that I've chosen this Great University. I was born in Yemen indeed, however, I lived most my life in Saudi Arabia.

### EDUCATION

High school

- GPA (99.8%)
