Thinking skills among the graduates

Rate your current thinking skills \*

1 2 3 4 5

Poor ☐ ☐ ☒ ☐ ☐ Excellent

Do you agree that you are a critical thinker? Why? \*

Yes I am. This is because I'm good in problem solving , collecting information and analyzing things accurately and efficiently before making a spontaneous decision

Do you agree that you are a creative thinker? Why? \*

Yes I am. This is because I love to visualize from creative angles and engage myself with art and music

Do you agree that you are an innovative thinker? Why? \*

Probably yes. Because I like to taking risks when achieving my goals. I tend to make mistakes but I'm not stop trying again in many ways.

What will you do to improve your thinking skills? \*

1. Explore other options or opinions of view 2. Ask some basic questions to myself and find out the ans
