Introduction: NABC

Period poverty is the lack of access lack of access to safe and hygienic use of sanitary products due to financial constraints that has been side-lined in Malaysia as if it does not exist
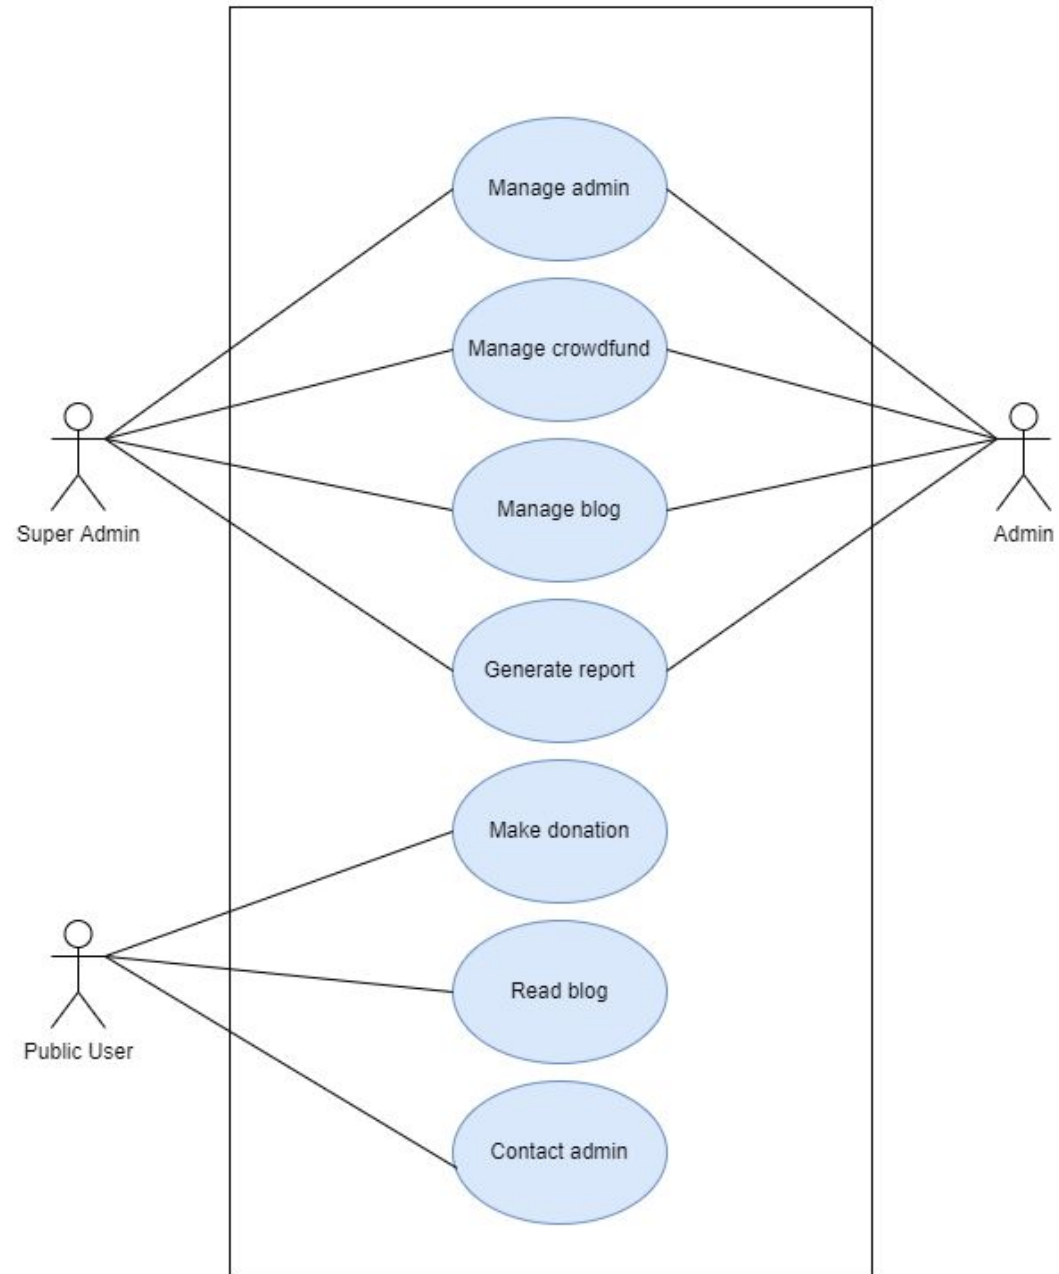

To develop a crowdfunding system that mainly focuses to tackle and raise awareness on period poverty called 'HELPSHI'

Social media has been widely used as a platform to spread information this includes crowdfund campaigns and awareness.

The benefits include to provide a designated platform to tackle period poverty, to raise awareness on this issue in Malaysia, to reach the targeted community easily and to encourage the attitude of helping each other
