***Introduction:***

Ramadan is considered one of the holiest months of the year for Muslims. In Ramadan, Muslims commemorate the revelation of the Qur'an and fast from food and drink during the sunlight hours as a means of drawing closer to Allah and cultivating self-control, gratitude, and compassion for those less fortunate. Ramadan is a month of great spiritual renewal and devotion, during which Muslims devote more time to reading the Qur'an and performing special prayers. Keeping all this in mind, ISS-Bangladesh is organizing this Annual Ramadan Islamic Competition to celebrate this holy month and enhance knowledge about Islam among students of UTM

***Purpose:***

"The Ramadan Islamic Competition" aims to revive a spiritual connection to the Holy Quran and Islam and motivates the students to learn more about the beauty of Islam.
