Content of the activity

This talk was given by 448 Foodbank who the non-government organization. 448 Foodbank is food charity community where they will spend 4 hours per month in volunteer service by helping the struggling families. There are 3 speakers during this session which Joseph Chee, Ha Na Na and Richard Ling. The session starts with briefly introduce the charity community and the organization of AIESEC. Then, the speakers started to talk about their activity during volunteer giving food to the struggling families. The participant learned about there are many families struggled during the pandemic and boost the awareness about there are many volunteers' community around Skudai and they always need volunteers to do many charity events. The speakers also talked about the food waste happen in Malaysia and there are many initiatives had been done to reduce the food waste. At the end of session, many questions have been asked to the speakers by the participants about volunteering and ways to make donations. The speaker answered questions smoothly and the session ended with photography session with the speakers and participants.
