SPYners

We provide a platform for the businesses or individuals to choose their ideal partner in business/gaming/promoting program.

Types of Services

01

**Promoting
Program**

02

Gaming Program

01

Promoting Program

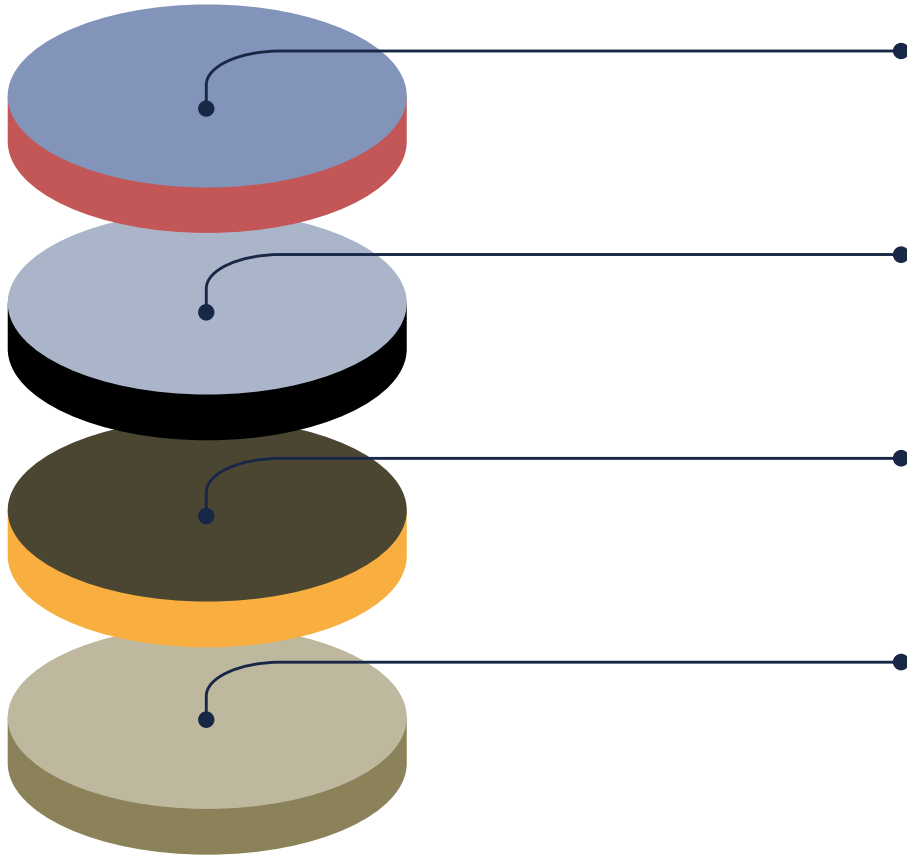

**We, as a middleman between
companies and influencers**

Inspiration/problem

- ✓ Company is hard to reach every influencers and compare them in a short period
- ✓ back-and-forth bargaining
- ✓ Scam
- ✓ Fake insights provided to the company

As an influencer...

1

Creating profile

2

**Wait for a job/
ask for a job**

3

Get job done

4

**Share the result
and get paid!**

Step 1 : Creating Profile

Name

Rating

Lady Gaga

Rank : S+

W : 45kg H : 163cm

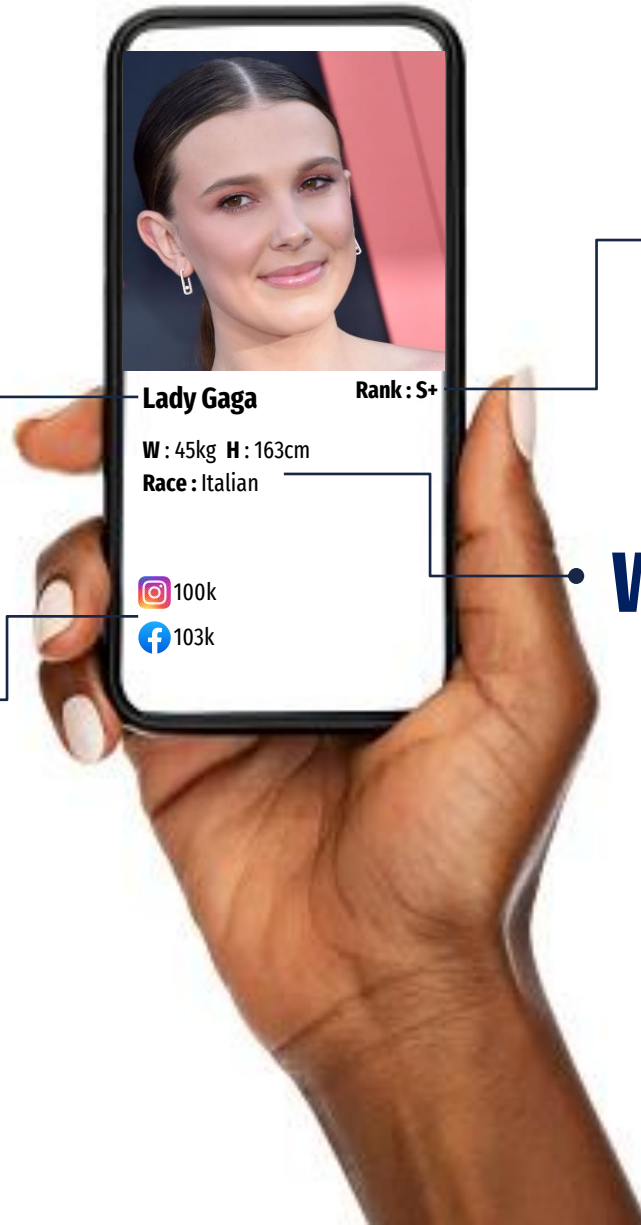

Race : Italian

Instagram 100k

Facebook 103k

Weight, Height, Race

**Instagram/Facebook
followers**

Step 2 : Wait for a job/ ask for a job

In this stage, influencer either wait for a job offer or apply for a job that listed in our platform that offered by the companies.

Step 3 : Get Job Done

Influencers start working on the promoting/job according to the requirement of the company.

Step 4 : Share the result and get paid!

Share the result to the platform, for example, how many **viewers or likes for the promoting post?**

After everything is done, the payment will be delivered immediately!

As a company...

Post a job

Company may post a job. For example, hair shampoo X promoting for **1 coin** with some basic requirement. Then, the influencers that accepts this offer may contact the company through our platform for more information!

Choose your ideal partner directly!

Company may also choose their ideal partner based on the information and insights provided.

WHY US?
