 Technopreneurship Seminar 

Greetings to everyone 

As the Covid pandemic strikes, the impact towards the business industry is huge and a lot of changes has been made. Now as the pandemic has settled down and changes are being made again, are you struggling on communicating and engaging clients or are you having problems on managing various clients? Do not fret as this webinar has the answers to your problems!

Let's join us in this insightful talk with Mrs. Kuspa Bohari, the Managing Director of Farwide Sdn Bhd who will share her experience and tips to engage and manage clients.

 Free registration
