Minute meeting

Date	Activity	Proof
04/03/2022	• In the first meeting, we reviewed the instruction and rubric for Task 2. • To setup the topology in Packet Tracer, we divided the task as follows: **Azlinah**: Computer Security Lab, Server Room 1, Network Lab. **Sharteswary**: General Purpose Lab, Server Room 2, IoT Lab. **Hajar** & **Azlin**: Conferencing Room 1, Conferencing Room 2, Server Room 3.	

| 05/04/2022 | • **Hajar** & **Azlin** did a meeting to setup the topology for Floor 1 together.
• **Azlinah** & **Sharteswary** completed their own task for Ground Floor. | |

06/04/2022	- In the third meeting, we combine all the topology and do the report. **Azlinah** presented the Packet Tracer and combined all topology from Ground Floor and Floor 1. **All** of us discussed the correct way to connect all topology. **Hajar** created the cover page, table of contents and page numbering for the report. **Azlin** did the Minute Meeting.
