MID-AUTUMN FESTIVAL EVENT 2022

Name: Lau Yee Chi

Matric No.: A21EC0042

Course: 2/SECPH (Data Engineering)

Academic Advisor: Prof. Madya. Dr. Haza Nuzly Bin Abdull Hamed

1. Justification in joining the activities

The justification of joining the activities involved the acknowledgement and experience for the traditional culture and festivals like Mid-Autumn Festivals. This event encourages students to be cognitive to one of the Chinese traditional festivals and cultures which is Mid-Autumn Festival or Dragon-Boat Festival. Besides, this event provides opportunity to students to get involved and participated in the traditional activities like riddle-guessing contests. The traditional cultures during Mid-Autumn Festival like eating moon cake, carrying colourful lanterns will be introduced in this event too.
