- **Mini Report**

As the treasurer of Start Up! '23, I actively contributed to the organization and execution of the event, which aimed to foster entrepreneurship and community engagement among students and staff at University Technology Malaysia. The event took place over two days, featuring diverse booths showcasing consumer products, entertainment, and shopping options. My role focused on ensuring smooth financial management, collaborating with the organizing team to establish transparent processes. The participation of Faculty of Computing students pitching their innovative ideas was a highlight, emphasizing the importance of supporting young talents. The event showcased entrepreneurial spirit, creative thinking, and enthusiastic engagement from attendees. The inclusion of health-related activities demonstrated a commitment to holistic well-being. Overall, I am proud of our achievements in financial management and creating a positive experience. I am grateful to Persatuan Mahasiswa Sains Komputer and the Faculty of Computing, UTM, and look forward to future editions of Start Up! to inspire and empower aspiring entrepreneurs in our community.

- **Self-Reflection**

Participating as the treasurer in Start Up! '23 provided me with valuable learnings and experiences. I gained practical knowledge in financial management, event planning, and execution. Working collaboratively with the organizing team enhanced my teamwork and communication skills. Observing the pitches of aspiring entrepreneurs deepened my understanding of entrepreneurship and business development. I developed adaptability, problem-solving, and networking abilities, and learned to balance multiple responsibilities. Overall, this event equipped me with essential skills for future endeavours in entrepreneurship, event management, and leadership roles.
