

## A photograph showing a collection of debris and trash scattered on a white surface. The items include several long, thin, light-brown sticks or branches, some with small leaves attached. There is a crumpled red object, possibly a piece of plastic or paper. A discarded cigarette with a yellow filter lies among the debris. A blue bag with white text is visible in the lower left corner; the text includes 'BLACK INK RUBBER' and 'Your Ultimate'. Other smaller pieces of trash, including a piece of clear plastic and a small brown object, are also visible. The overall scene suggests a collection of litter or waste.
