

# Relection on Previous Presentation

# Things you should taken seriously for your presentation

- TIME MANAGEMENT – 20 MIN TOPS more than that the presentation will be cut
  - only present the important part in your chapter
  - Add new findings related to your chapter
  - Must have multimedia elements
    - ie. Picture; video, sound etc

- Smart attire
- Address the audience appropriately
- Dialect – use standard language

# Audience

- Pay attention.
- This is the suitable time for you to do revision on the topics.
- Question ask can be either from Text book or based on your interest in the presentation content
