

THE MOVING CAFE

A PORTABLE FOOD STALL PROPOSAL

Prepared by GSA-30 Group 3

ABOUT THE ISSUE

ROADSIDE STALL

- Stall left unattended.
- Creates cleanliness and health issues
- Roadside stall obstruct traffic and endanger road user.

TODAY'S OUTLINE

OUR SOLUTION

Recycle and renovate a double-decker bus to make a portable food stall.

The ground floor will be dining area and the first floor will be kitchen for hawker to prepare food

Bus driver will drive the bus around different spot of an area everyday

Trash bin will be placed at entrance of the bus and the hawkers have to take care of the sanitary of the bus.

DEFINING OUR PORTABLE FOOD STALL

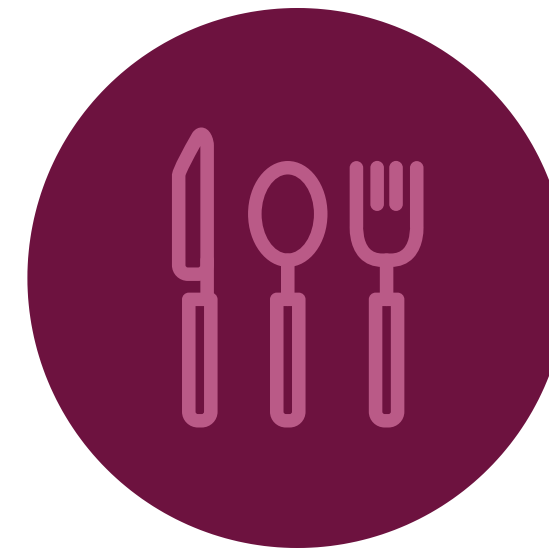

WHAT MAKES OUR PROPOSAL WORK

A bus driver is needed to drive the bus to certain spot and serve food to the customer.

The bus is owned by more than hawkers.

Only light food and beverages are served.

The bus will be drove to a bus station after operation hour end.

Thank you for being attentive
