

STUDY ON STUDENTS' LEISURE TIME ACTIVITIES

12

DATASETS

55

RESPONDENTS

1

REPORT

The respondents consisted of students from UTM, both local and international

We focused on 4 main leisure time activities such as gaming, sports, reading and media.

We gathered info on the 4 factors that contribute in student's preference of leisure time activity such as money, friends, distance and competitions

MEMBERS : MUJAHID, MUKHLIS, AADY, VEEJAY
