## OBJECTIVES

With Electric and Electronics background and skills, I aim to seek a role in your company as a junior engineer to further allow the enhancement and expansion of my technical skills and abilities in the challenging and innovative field of electrical and electronics engineering, specifically in telecommunication. I also appreciate the opportunity to contribute significantly to the company's developments, targets and visions; and to deliver outstanding outcomes and add value to this respective field.

## TECHNICAL AND PROFESSIONAL SKILLS

- 2016 – Current**      **Universiti Teknologi Malaysia, Skudai, Johor, Malaysia**  
Bachelors of Electrical Engineering  
(Honours) (Current CGPA : 3.48)
- 2015– 2016**        **Pusat Asasi Sains Universiti Malaya, Petaling Jaya, Malaysia**  
Foundation in Physical Science  
Mathematics, Physics, Chemistry, Computer Science  
(CGPA : 3.77)
- 2013 – 2014**        **Kolej Tun Datu Tuanku Haji Bujang, Miri, Sarawak, Malaysia**  
Sijil Pelajaran Malaysia (SPM)  
Science Stream, 8A 1B (4A+,3A, 1A-,1B+)
- 2010 – 2012**        **Kolej Tun Datu Tuanku Haji Bujang, Miri, Sarawak, Malaysia**  
Sijil Penilaian Menengah Rendah (PMR), 7As

## TECHNICAL AND PROFESSIONAL SKILLS

- Proficient in measuring electrical data, interpreting and recording observations; analysing wide range of electrical and electronics field of study
- Acquired experience in project managements and various leadership roles with excellent communication, research, problem-solving and interpersonal skills; an efficient team player.
- Capable and willing to work in any environment under minimal supervision.
- Proficient in various electronic engineering platforms such as Multisim, Quartus, PSpice and editing software such as Adobe Photoshop, Adobe Lightroom, Adobe Premiere Pro and MS Suites.

## PROFESSIONAL AFFLIATION

- Registered Student Member of Institution of Engineers Malaysia (IEM).

## WORK EXPERIENCES

**January – Part-Time Worker at TGV Cinemas Miri**

**March 2015**

- Worked in 4 different departments: ticket counter, foods and beverages counter, popcorn maker and floor runner in the span of two months.
- Undergone a week of training with other trainee in Miri.
