My name is Lee Jia Xian. I came from Penang, Malaysia. Currently, I am taking Bachelor of Computer Science degree with a major in data engineering at University Technology Malaysia. I love the concept of using the internet and technology as a means to enhance my computing skills.

SKILLS

Communication

Leadership

Ability to Multitask

LANGUAGES

English

Malay

Mandarin

WORK EXPERIENCE

MACHINE OPERATOR

GCEM (M) SDN. BHD / Dec 2016 - Mar 2017 / PULAU PINANG

I worked under a headphone making factory as machine operator when waiting for my SPM results. I learned how to use a lot of machines and the basic structure of a headphone from this job. I improve my communication skill during this job because I need to cooperate with others when operating the machines.

EDUCATION

HIGH SCHOOL DIPLOMA

SMJK JY SIN / PULAU PINANG / 2016

Scored 5As in FYS 2016 which are Mathematics, Mandarin, Science and Geography.

Scored 10As in SPM 2018, with 2A- in Mathematics and Physics, 4A in Moral, History, Additional Mathematics and Computer Science, 4A- in Malay, English, Mandarin and Chemistry.
